Subject: Next New Bedford Harbor Meeting ?

The next New Bedford Harbor meeting was scheduled for Dec. 10 and it was to be the preliminary meeting for the large forum meeting in January to discuss the changing of the remedy to Confined Aquatic Disposal Facilities. You had mentioned that the was also the best date for the Parker Street meeting and we needed to reschedule the New Bedford Harbor meeting. We can accommodate the change and just have a January meeting but Dec. 10 is fast approaching and we needed to notify people if the Harbor meeting is postponed.
